## ■ SOPHISTICATED ENTERTAINMENT

---

*A professional entertainer with 20-years experience as an illusionist, Lucca dazzles his audiences at the highest international level, making his award-winning illusions the preeminent show-act for corporate galas, conventions and exclusive gatherings.*

## ■ THE MIND-READING REVOLUTION

---

*This award-winning act is a fresh and ground-breaking twist on the classical two-person mind-reading act, inexplicable even for experts. In a witty contest between a professional mind-reader and his assisting wife, Anca takes over the control in order to show “real mind-reading”. Unsuccessfully trying to figure out Anca’s incredible skills, Lucca finds himself in a two-fold struggle, to maintain his reputation on stage and to survive as a husband.*

## ■ KEY NOTE SPEAKER

---

*In his Key Note Speech “The Rediscovery of Wonder”, Lucca explains the powerful connections between wonder, creativity, and the power of innovation. These highly entertaining talks adapted for audience and occasion, offer a new thought model, raising penetrating questions and bringing new perspectives to how we understand our lives.*
